I don't see a single thing I don't feel a single thing I don't see you I don't need a single thing I don't read a single thing But I can save you Tell me what you're here for I stay with you 24 Hours in a day Seven days a week or more I don't care what you believe If God machine can make me rich U\$ 200 000 is money enough To build a church But I don't care for profit If I am closer to god All this faith will make you blind If you walk outta line Switch off the machine Live yourself to pray and lie I don't care what you believe If God machine can make me rich
