Devoted Loyalty

Awaken to triumph again In the face of yet Another day, another step in our unified march Into the unwavering purpose... Move ahead together Into the certainty of our collective destiny

Devoted loyalty A men without a mind They do not want to see They do not want to hear

Collective destiny Affecting everyone Void of mentality Why can't these people see?

Madness Starting to infect I cannot treat you like a friend Invade in trust, ideals unjust Do you know what you represent?

Now only victory Emptiness in your eyes Collective destiny Affecting everyone

Repression misery Of purest liberty Devoted loyalty This shit is not for Me!
