

## Diminished Responsibility

Virgin Snatch

Don't blame me - for what you do again  
Why can't You listen to community  
Contempt and hatred all you feel  
Allwhat yo want is always good only for You

Feel My eyes burning holes in Your head  
Then you will listen to what I say  
Justified, illegal, Paralyzed  
Legal defence to lies

Breeding your deception  
Losing faith again  
I don't see more chances  
Lost Are Those Who Trust You  
HARTED IN YOUR EYES  
Nowhere to Run... Nowhere To Hide  
CROSSES IN YOUR HANDS  
Burning inside  
Diminshed mind

Why do we waste time on new hope  
Your Personal Responsibility  
The feelings you can't hide  
Our ignorance means collapse

Protectors of blindness anyway  
I don't to be a part of decay  
Organised self defence, play the fool  
Simulate, golden rulez, interviews

Breeding your deception  
Losing faith again  
I don't see more chances  
Lost Are Those Who Trust You

SOMEONE WILL BE PROUD  
Prison For alln No one pushed out  
STOP THE WAVES OF LIES  
I'll Suck Your blood
