A Whisper of Death

Virgin Steele

Sign in the distance, leave it behind . . .
There is no meaning, when the promises are lies I'll bring you pain,
far from the Light . .
I see the Rings around the Sun, I know their Names I see the
Colors turn and run, I stay the Same.
There is no meaning when the promises are lies I'll bring you pain,
far from the Light . . .

(Victory, Holy War, I am reborn tonight on EARTH, You will know, you will see the end of all former might HEAVEN and Right in the window, I know where you are HELL) Hunting and killing again Holy Tomorrow I see where you are I will be there when you die !

A WHISPER OF DEATH I bring to you The Sons of Tomorrow, I know that they're through There'll be no mourning, the Skies are alive A WHISPER OF DEATH, Fall in the sight of your God A WHISPER OF DEATH !

Crush them all, kill their Reign See them Fall from the Light Who will know, who will win Seven years from tonight Gods in the mirror I know where you are Haunting the still of the night Holy Tomorrow I see where you are I will be there when you die !

A WHISPER OF DEATH I bring to you The Gods of Tomorrow, I know that they're through There'll be no warning, the Skies are alive A WHISPER OF DEATH . . ., when the Spirit's torn from your Flesh . . .

A WHISPER OF DEATH, A SHADOW OF FEAR Seven Riches of the Skies A WHISPER OF DEATH I bring to you Seven meanings of our Love There'll be no warning, the Skies are alive A WHISPER OF DEATH

Thunder War, Blood and gore Send them Fear on the tide I will know, I will win Kill them quick, 'fore they rise Bride in the mirror I know who you are Writing the Book of Demise Holy Tomorrow I see where you are I will be there when you die !

NO ! A WHISPER OF DEATH I bring to you The Gods of the moment, I know they're through We're pounding the Valley, the Skies are aflame A WHISPER OF DEATH, I bring to you Seven meanings of our Love There'll be no mourning, the Skies are a lie A WHISPER OF DEATH, Fall in the sight of your GOD ! ! ! ! ! ! !

A WHISPER OF DEATH ! ! ! ! ! ! ! ! ! ! ! !
