

## Fire of Ecstasy

Virgin Steele

I've got the Power of God, I've got the Healing Hand  
I'm here for your Salvation, I will cleanse the Land  
Turn Darkness to Light, Burn the Sun through the Night  
I bear the Sword of Truth, Hatred can't dispute  
NO!

I'll route the Wings of Treason, I'll possess what's mine  
Storm the Gates of Madness, Conquer Death and Time  
When the Black Wind blows, I will bring the Light  
Wash away your Sadness and cleanse the Night  
Fire and Water and Rain comes down  
Underneath the Earth and Sky  
You and I we will Shine like Fire on the Wings of the Storm  
With the FIRE OF ECSTASY! FIRE OF ECSTASY!  
DIE!

APOLLO, DON'T FORSAKE ME!

HAVOC BRINGS OUT FURY... PILE DEATH UPON DEATH!

WAR GOD WILL CLASH WITH WAR GOD, STRIP AWAY THEIR ARMOR  
WASH THE HALLS IN BLOOD!

WRAPPED IN A NET OF HATRED YOUR PRECIOUS BLOOD DID FLOW  
FATHER, THEY BEAT YOU HELP US DESTROY THEM!!!

Fire and Water and Rain comes down

Underneath the Open Sky

You and I we will Shine like Fire on the Wings of the Storm

I've got the Power of God, I've got the Healing Hand

I'm here for your Salvation, I will Rule the Land!

Fire and Water and Rain comes down

Underneath the Earth and Sky

You and I we will Shine like Fire on the Wings of the Storm

Fire and Water and Rain comes down

Underneath the Earth and Sky

You and I will Avenge our Father on the Wings of the Storm!

With the FIRE OF ECSTASY! FIRE OF ECSTASY!!!
