

## Go All the Way

Virgin Steele

What would you say if I told you that  
I want your love and I just can't wait  
Would you think it's just a line  
If I tell you girl we ain't got much time

So let's go all the way  
It's gonna be alright  
Let's go all the way  
Love or say goodnight  
Let's go all the way
