

# Through Blood and Fire

Virgin Steele

I am the Master of this World of Ours  
You are a Thorn in my side I am the Rock upon which you will break  
Freedom or Death, you decide  
For in the End there is no meaning to find  
Only the Raging Sea and I will be there at the Door

THROUGH BLOOD AND FIRE - promises and lies  
THROUGH BLOOD AND FIRE - we rise No more tomorrow on your side  
THROUGH BLOOD AND FIRE - we rise

Shatter the Sky with your  
Thunder and Wrath To Honour the Questions we ask  
Greatness is granted to those who betray I am the  
Last of my kind Heaven and Hell exist inside us we've found  
Drown in your Raging Sea for I will be there when you DIE ! ! !  
! ! ! !

THROUGH BLOOD AND FIRE - promises and lies  
THROUGH BLOOD AND FIRE - we rise No more tomorrow, Deiceit  
THROUGH BLOOD AND FIRE - we rise  
THROUGH BLOOD AND FIRE - promises and lies  
THROUGH BLOOD AND FIRE - we rise No more tomorrow on your side  
THROUGH BLOOD AND FIRE - promises and lies  
THROUGH BLOOD AND FIRE - we rise  
No more tomorrow on your side  
THROUGH BLOOD AND FIRE - WE RISE ! ! !
