

# Maggie In The Meantime

Virginia Coalition

Loneliness is frozen in two  
And I found another picture of you  
It was blood stained and boneless  
And lining the ground  
You left me here in pieces  
Pieces on the ground

Try another life if you can  
But now I got a plan  
It's a secret plan  
Meaningless has meaning  
The only way to be  
Perfection needs direction  
Direction follows me

But Maggie says she don't even care  
And I can always say I use to know somebody there  
She'll say she don't remember my name  
And she'll sing about the thunder and rain  
About the thunder and rain

When the loneliness is frozen in two  
And I found another picture of you  
It was heart-shaped and [??]  
Lining the ground  
You left me here in pieces  
Pieces on the ground

But Maggie says she don't even care  
And I can always say I use to know somebody there  
She'll say she don't remember my name  
And she'll sing about the thunder and rain  
About the thunder and rain

Maggie in the meantime  
I'll be waiting here and calling your name

Tell me what did I do  
Tell me what did I do wrong

And I hear the sirens in the night  
And I hear the footsteps  
And I hope they're not coming for me

Maggie says she don't even care  
And I can always say I use to know somebody there  
She'll say she don't remember my name  
But I know that she remembers my name  
And I know that she remembers my name  
And she'll sing about the thunder and rain
