

Speed Of Light

Virtuocity

With the powers of glory and pride, in the times of full moon
We ride through the night of dreams and visions
We conquer the roads of the universe

On the highway on the stars we drive the end of the road we'll
fly
No reason to look back into the mirror, we will fly through the
time

We fly with the speed of light
We reach the speed of light

We open the gates through the stars in the universe of lost dr
eams
From the rainy days through the sunlight, we ride with pride an
d fame

On the highway on the stars we drive the end of the road we'll
fly
No reason to look back into the mirror, we will fly through the
time

We fly with the speed of light

With the powers of glory and pride, in the times of full moon
We ride from the rainy days to the sunlight
We ride with pride and fame

We drive with the speed of light
We reach the speed of light
We drive with the speed of light
We break the time with the speed of light

Speed of light, speed of light
