

# In the Year 2525

Visage

In the year 2525  
If man is still alive  
If woman can survive  
They may find

In the year 3535  
Can't tell the truth, can't tell no lies  
Everything you think, do and say  
Is in the pill you took today

In the year 4545  
Won't need your teeth, won't need your eyes  
Won't find a thing to do  
Nobody's gonna look at you

In the year 5555  
Your arms are hanging limp at your side  
Your legs have nothing to do  
Some machines doin' that for you

In the year 6565  
Won't need no husband, won't need no wife  
You'll pick your sons, pick your daughters too  
From the bottom of a long glass tube woahuwoah

In the year 7510  
If god is comin' he should make it by then  
Maybe he'll look around and say:  
Now it's time for the judgement day

In the year 8510  
God is gonna shake his mighty hand  
He'll either day I'm pleased where man has been  
Or tear it down and start again woahuwoah

In the year 9595  
I'm wondering if man is gonna be alive  
He's taken everything earth had to give  
And he's put back nothing woahuwoah

Now it's been 10.000 years  
man has cried a billion tears  
For what he never knew  
now man's reign is through  
But through eternal light the twinklin' of starlight  
So very far away now it's night to yesterday

In the 2525  
If man is still alive  
If woman can survive  
They may find...

In the year 3535  
Won't tell the truth tell no lies  
Everything you think do and say  
Is in the pill you took today

In the year 4545 (fading...)
