

# Flame Of Hate

Vision Divine

I have no feelings  
Nothing to fear  
All I was dreaming  
Now looks unfair

Now just a strange pain  
Comes from inside  
And it keeps growing  
Burning my mind

Feel the fire growing inside  
It's the wild Flame Of Hate  
Getting stronger, even harder  
To control day by day

Into the evil  
I'm getting lost  
Is there an escape,  
Before I'll burn

Feel the fire growing inside  
It's the wild Flame Of Hate  
Getting stronger, even harder  
To control day by day

Feel the fire growing inside  
It's the wild Flame Of Hate  
Getting stronger, even harder  
To control day by day
