The final countdown (europe cover)

Vision Divine

We're leaving together,
But still it's farewell
And maybe we'll come back,
To earth, who can tell ?
I guess there is no one to blame
We're leaving ground
Will things ever be the same again?

It's the final countdown!

The final countdown

We're heading for Venus

And still we stand tall

Cause maybe they've seen us

And welcome us all yeah

With so many light years to go

And things to be found

I'm sure that we'll all miss her so.

It's the final countdown

The final countdown

The final countdown (The final countdown)

(solo)

The final countdown

000000!

The final countdown The final countdown

Its the final countdown
We're leaving together
The final countdown
We'll all miss her so
It's the final countdown
(Final countdown)
