

For The Bleeders

Vision of Disorder

For the Bleeders
Bleed.....for what I've done.
And I'll never forgive myself for what I've done.
And she'll know that I'll bleed.....bleed
Know now the choice.
And crawl upon the ground.
A man is now vagrant.
Girl, why did you bleed? Bleed.....
Don't be shallow.....Repent, Repent
Don't be shallow.....Repent, Repent
Don't be shallow.....Repent, Repent
Don't be shallow.....Repent, Repent
