

## Pharaoh's Repentance

Visions of Atlantis

Pharaoh's Repentance  
For all my debts I have to pay  
Remains for me now to explain  
For every tortured soul to pray  
A murderer till my last day  
Bells are ringing, day has come  
For me and all my greedy sons  
For every cruelty to alone  
Eternal flames - my home  
No release  
From the sins he made  
Repentance now  
For him comes too late  
His only wish  
To turn back time  
And never get into his crime  
Reign with heart instead of blood  
Revenge is written in their eyes  
To end my reign and stop my lies  
To spill my blood over my throne  
And burn down all I've ever owned  
Isis, Osiris, all the gods  
There's no excuse for my own faults  
No one to blame instead of me  
Sentence already signed  
No release  
From the sins he made  
Repentance now  
For him comes too late  
No release  
From the sins he made  
Repentance now  
For him comes too late  
His only wish  
To turn back time  
And never get into his crime  
Reign with heart instead of blood
