

My Friend Dario

Vitalic

My friend Dario has a super mega car
Drives too fast, drives too flash
The noise the wheels make screeching on the tarmac
Echoes in his head, then echoes in his pants

My friend Dario has a super mega car
Drives too fast, drives too flash
Doesn't care about a crash

Dario knows it's prohibited,
You either drive or either drink
But he can't resist the pleasure
To down a bottle before a trip

My friend Dario has a super mega car
Drives too fast, drives too flash
Doesn't care about a crash

My friend Dario has a super mega car
Drives too fast, drives too flash
Doesn't care about a crash
