

# Do What You Want To Do

Vitamin C

Do, do do what, do do what, do do do whatchulike  
Do, do do what, do do what, do do do whatchulike

You don't need to be 6 foot 3  
You don't need to be friends with me  
You don't need to be on the internet  
Cruisin' around the halls like you're teacher's pet  
You don't need to run a marathon  
Fly a jet or have a big hit song  
You don't always need to have your way  
Double down or make a triple play

Do what you want to do  
(do what, do do what, do what)  
Whatever, whatever, whatever you choose  
Everybody wants to tell you what to do  
Just do what you want to do  
(dowhatchulike)  
Whatever, whatever, whatever you do  
If you wanna get to me, you gotta get to you

You don't need to have a navel ring  
You don't need to be able to sing  
You don't need to have a big tattoo  
Hanging with the boys like the last tycoon  
You don't need to be in the Guinness Book  
You don't need to be in therapy or a gourmet cook  
You don't need to win the Nobel Prize  
Play it safe and order super-size

Do what you want to do  
(do what, do do what, do what)  
Whatever, whatever, whatever you choose  
Everybody wants to tell you what to do  
Just do what you want to do  
(dowhatchulike)  
Whatever, whatever, whatever you do  
If you wanna get to me, you gotta get to you

This is your only life to lead  
Make sure you're doing what you please  
Respect yourself, express yourself  
Let yourself go, you know, there's nothing you can't do

You don't need to be double jointed  
You know I won't be dissapointed  
You don't need to be royalty  
You don't need to have a photographic memory

Do what you want to do  
(do what, do do what, do what)  
Whatever, whatever, whatever you choose  
Everybody wants to tell you what to do  
Just do what you want to do  
(dowhatchulike)  
Whatever, whatever, whatever you do  
If you wanna get to me, you gotta get to you

Do what you want to do  
(dun dun dun dun dun)  
Whatever, whatever, whatever you choose  
Everybody wants to tell you what to do  
Just do (do what you like) what you want to do  
(do what you like)  
Whatever, whatever, whatever you do  
If you wanna get to me, you gotta get to you

Do what you want to do  
(Well if you're hungry, get yourself something to eat)  
(And if you're dirty, then go take a bath)  
Just do what you want to do  
(Then go take a bath)  
Whatever, whatever, whatever you do  
If you wanna get to me, you gotta get to you

Do (do what, do do what) what you want to do  
(do what, do do what, do what)  
Whatever, whatever, whatever you choose  
Everybody wants to tell you what to do  
Just do what you want to do  
(do what you like)  
Whatever, whatever, whatever you do  
If you wanna get to me, you gotta get to you
