

Master Of Disguise

Vitamin C

In a secret world among us
Lives a special man
Who's trying to find his role within a bigger plan
With a simple slap of hand
A new name and face
He can make a world into a better place

Well, you can become another
It could be your sister or your mother
Word to the wise:
You better not mess with the master of disguise!

shalalalalala
He's a master of disguise
Lalalalalala
He's a master of disguise!

The secret wealth of knowledge is his history
It's more than just a job
It's his destiny
Become another person is the mantra, see!
Never underestimate the name "disguise---?"

He can appear before your eyes
He's got a family franchise
Word to the wise:
You better not mess with the master of disguise!
