Where's the party?

Where's the party (party, party) Where's the party (party, party) Show me the way, show me the way It's like a holiday That happens everyday I get to celebrate No matter what you say When I get real bored I want something more I never lose my head Cause I know the score Show me the way Show me the way C'mon, show me the way Where's the party? All I Wanna do is have some fun Where's the party? Party all night 'til I can't go on Where's the party? All I Wanna do is have some fun Where's the party? Show me the way, show me the way One thing I know Is when I feel low I never have to worry Got a place to party no one's getting mean It's so obscene No matter what goes down I just get what I need Show me the way Show me the way C'mon, show me the way Where's the party? All I Wanna do is have some fun Where's the party? Party all night 'til I can't go on Where's the party? All I Wanna do is have some fun Where's the party? Show me the way, show me the way Where's the party, where's the party party, party, party, party, party, party, party p-p-p-party Show me the way Show me the way C'mon, show me the way

All I Wanna do is have some fun Where's the party?
Party all night 'til I can't go on Where's the party?
All I Wanna do is have some fun Where's the party?
Show me the way, show me the way

Show me the way, if you show me the way ${\tt C'mon}$ show me the way

Where's the party?
All I Wanna do is have some fun
Where's the party?
Party all night 'til I can't go on
Where's the party?
All I Wanna do is have some fun
Where's the party?
Show me the way, show me the way

Where's the party, where's the party Where's the party, where's the party

Show me the way Show me the way
