

# Fanatic

Vivian Green

When I wake up all I want is for him to take me away  
To that incredible comfort zone inside that beautiful place  
When I need to release tension so that I can feel brand new  
Reach that height that only one in this whole world can take me  
to

All the time I want you baby,  
All the time I need you honey,  
All the time I gotta have you sugar,  
Because I'm addicted - oh yeah.  
All the time I want you baby,  
All the time I need you honey,  
All the time I gotta have you sugar,  
It belongs to me

I'm fanatically, addicted see, the way that he be loving me  
It's like a drug or some bad habbit  
Since its mine, I got to have it

I'm fanatically, addicted see, the way that he be loving me  
It's like a drug or some bad habbit  
Since its mine, I got to have it

Oh it feels like, like I've never had it right  
Before this,  
There was so much emotional pain, nothing positive to gain  
But I'm loved, full, and completely now  
Not just a physical thang  
But it's something spiritual

I just gotta have it, I'm a fanatic  
I just gotta have it, I'm a fanatic  
I just gotta have it, I'm a fanatic  
I just gotta have it, I'm a fanatic
