

# I'm Not Prepared

Vivian Green

Let the dancing begin

Don't take away the moves til you feel my heart  
It only beats for you  
I'm tryna tell you the truth  
That you're all that I have and you're all that I'd hate to lose

Last time I tried to take you  
You said I moved too fast, that I'm running so tryna make it last oh oh  
You're all I want  
Didn't mean it when you tried to walk away  
Baby hoped you'd stay  
Need you forever

I'm not prepared to miss you  
I'm not prepared to miss you  
I'm not prepared  
I'm not prepared  
Baby, I'm not prepared to miss you  
I'm not prepared  
I'm not prepared  
Baby, I'm not prepared to miss you

Let the dancing begin

You got it all confused  
If you think I'mma let you slip right through my hands  
And it's because of you  
That I changed who I am and I'm here so you can be my man

Last time I tried to take you  
You said I moved too fast, that I'm running so tryna make it last oh oh  
You're all I want  
Didn't mean it when you tried to walk away  
Baby hoped you'd stay  
Need you forever

I'm not prepared to miss you  
I'm not prepared to miss you  
I'm not prepared  
I'm not prepared  
Baby, I'm not prepared to miss you  
I'm not prepared  
I'm not prepared  
Baby, I'm not prepared to miss you

Let the dancing begin

What are we here for?  
What are we here for?  
Baby don't let go  
I'm willing to love more

What are we here for?  
What are we here for?  
Baby don't let go  
I'm willing to love more

I'm not prepared to miss you  
I'm not prepared to miss you  
I'm not prepared  
I'm not prepared  
Baby, I'm not prepared to miss you  
I'm not prepared  
I'm not prepared  
Baby, I'm not prepared to miss you  
Oh yea
