

A Magic Ladder

Viza

I found a magic ladder.
I see the pharaohs feast on vagabonds.

I have a magic ladder.
It takes me where I want and when I want.

I climbed this magic ladder.
I saw the hands of god tied in a knot.

I have a magic ladder.
He asked me to stay back so he can mummify!

Love me like the very day you met me,
Or at the very least protect me
From the lepers in your bed.
Love me like the very way you left me,
Or at the very least transcend me
To a different time or place.

One at a time I will climb.
One at a time like good wine.
One at a time I'll refine.
One at a time, every time! x2

Love me like the very day you met me,
Or at the very least protect me
From the lepers in your bed.
Love me like the very way you left me,
Or at the very least transcend me
To a different time or place.
