Quit your complaining, so what if its reigning, everyone there  
is tongue tied.

Summon the baritones, levy the capricorns, ready or not we're n  
earby.

Carnivalia its the strangest show on earth.

Carnivalia who is your master?

Carnivalia for all you boys and girls.

Carnivalia can we go any faster?

Sculptures and paintings, superstitiously fainting, please let  
the midget squeeze by. Summon the baritones, levy the capricorn  
s, ready or not we're nearby.

Carnivalia its the strangest show on earth.

Carnivalia who is your master?

Carnivalia for all you boys and girls.

Carnivalia can we go any faster?

Satin bed bugs.
