

Guilty Pleasures

Viza

Guilty.
Guilty.
On and on we're almost out of...

Guilty.
Guilty.
On and on we're almost out of love.

Here we are but how as things get really sticky.
You and me what now?
Things get really sticky.
If only I was proud things won't be as sticky.
Now I broke my vows.
Things are not exactly... exactly as I've imagined.

Guilty.
Guilty.
On and on we're almost out of...

Guilty.
Guilty.
On and on we're almost out of love.

Here we are right now as things get really tricky.
You and me what now? As we get really tricky.
If so. We somehow must leave very very quickly.
They cannot find out.
Things are not exactly... exactly as i've imagined.

Guilty.
Guilty.
On and on we're almost out of...

Guilty.
Guilty.
On and on we're almost out of love.
