

You should meet the Tavern's son.
He seduces yet regrets.
You should meet that bastard son when your daughter is upset.

Janna!

Inside your heart I'll hide my gun.
Inside your mind I'll find your love.

You should see her hazel eyes when they water they repent.
You should hear her mother's cries when her daughter is upset.

Janna!

Inside your heart I'll hide my gun.
Inside your mind I'll find your love.

Janna, what's wrong Janna?
Janna, I'm right here Janna.

Inside your heart I'll hide my gun.
Inside you're mine. I'll find your love.
