

Kiss

Vlasta Horvath

Every day of my life.
I wanna see your face.
I feel so in love.
I just want you to feel the same.
Will you be in my life.
And never leave my side?
I wanna feel your love until day's gone.
Someone I can count on to be there in my night.
Someone to stay beside me all the way through life.

I want to kiss.
I want to kiss you now.
I wanna love I don't wanna fight.
I want to be your guy.
I want to kiss.
I want to kiss you now.

Darling our love will never die.
Not while I'm alive.
Another day in my life.
And you're so far away.
I wanna feel your love.
I don't want you to feel no pain.
I never had anyone.
Who stayed by my side.
I wanna make love but you are gone.
Someone, I'll become one to sweep you off the ground.
Someone to astound you and make you turn around.

I want to kiss.
I want to kiss you now.
I wanna love I don't wanna fight.
I want to be your guy.
I want to kiss.
I want to kiss you now.

Darling our love will never die.
Not while I'm alive.
I come in from the cold.
Feeling every day.
I'll love you more.
So you and I.
Staring at the sea.
Dreaming of the way.
We'll love forevermore.

I want to kiss.
I want to kiss you now.
I wanna love I don't wanna fight.
I want to be your guy.
I want to kiss.
I want to kiss you now.

Darling our love will never die.
Not while I'm alive
