

It's colder than before  
The seasons took all they had come for  
Now winter dances here  
It seems so fitting, don't you think?  
To dress the ground in white and grey

It's so quiet I can hear  
My thoughts touching every second  
That I spent waiting for you  
Circumstances afford me  
No second chance to tell you  
How much I've missed you

My beloved, do you know  
When the warm wind comes again  
Another year will start to pass  
And please don't ask me why I'm here  
Something deeper brought me  
Than a need to remember

We were once young and blessed with wings  
No heights could keep us from their reach  
No sacred place we did not soar  
Still greater things burned within us  
I don't regret the choices that I've made  
I know you feel the same

My beloved, do you know  
How many times I stared at clouds  
Thinking that I saw you there  
These are feelings that do not pass so easily  
I can't forget what we claimed was ours

Moments lost, though time remains  
I am so proud of what we were  
No pain remains, no feeling  
Eternity awaits  
Grant me wings that I might fly  
My restless soul is longing  
No pain remains, no feeling  
Eternity awaits

My beloved, do you know  
When the warm wind comes again  
Another year will start to pass  
And please don't ask me why I'm here  
Something deeper brought me  
Than a need to remember

My beloved, do you know  
How many times I stared at clouds  
Thinking that I saw you there  
These are feelings that do not pass so easily  
I can't forget what we claimed as ours

Moments lost, though time remains  
I am so proud of what we were

No pain remains, no feeling  
Eternity awaits  
Grant me wings that I might fly  
My restless soul is longing  
No pain remains, no feeling  
Eternity awaits

Moments lost, though time remains  
I am so proud of what we were  
No pain remains, no feeling  
Eternity awaits  
Grant me wings that I might fly  
My restless soul is longing  
No pain remains, no feeling  
Eternity awaits

Moments lost, though time remains  
I am so proud of what we were  
No pain remains, no feeling  
Eternity awaits  
Grant me wings that I might fly  
My restless soul is longing  
No pain remains, no feeling
