Homeward

VNV Nation

The hallowed lands so far behind As fleeting dreams still linger Like distant voices through the rain Like grains of sand cast from my hands

I never thought I'd go this far Without a star to cross the seas So far from shores I'd left behind Still far from shores I've yet to reach

I try to find the strength I need To calm the doubts in my beliefs With the will, I know my heart won't break

And if I have strength then I've belief If I have love my heart still beats Here under stars
Far from home

The picture fades, the light recedes
The sound is lost in whispers
My recollections once clear and pure
Now distant lights that dim with time

I never thought I'd go this far
Without a star to cross the seas
So far from shores I'd left behind
Still far from shores I've yet to reach
