

# Standing

VNV Nation

Eyes betray the soul and bear its thinking  
Beyond words, they say so many things to me  
A stranger here, reborn it seems  
Awaking wonders deep in me  
If nothing's ventured, nothing's gained  
So I must seize the day

And fighting time, so hard I pray  
That this moment lasts forever  
And will the world stay standing still, at least for me  
Through my eyes, stare into me  
I bear my heart for all to see  
With my face turned to the sun, there ever standing still

It wasn't you, it wasn't me, it wasn't anything  
It was a day so long awaited and a chance to be as me  
I let the wind run through my hands  
Before I turned to walk away  
In distant days, I long to sense it, all so clear

And fighting time, so hard I pray  
That this moment lasts forever  
And will the world stay standing still, at least for me  
Through my eyes stare into me  
I bear my heart for all to see  
With my face turned to the sun, there ever standing still

And fighting time, so much I ask  
I will this moment last forever  
Though seasons change and things come to pass  
Remain inside of me  
And fighting time, so hard I pray  
That this moment lasts forever  
And will the world stay standing still, at least for me

I had no faith before that time in any vow or deed  
Days followed days and years were meaningless  
Despite the wisdom of defeat  
I bore my heart for all to see, the wonders I'd seen  
The wonders I'd seen

And fighting time, so hard I pray  
That this moment lasts forever  
And will the world stay standing still, at least for me  
Through my eyes stare into me  
I bear my heart for all to see  
With my face turned to the sun, there ever standing still

And fighting time, so much I ask  
I will this moment last forever  
Though seasons change and things come to pass  
Remain inside of me  
And fighting time so hard I pray  
That this moment lasts forever  
And will the world stay standing still, at least for me
