

# Don't Call Me Baby

Voice Of The Beehive

Don't call me baby  
When she is waiting in the car  
It took so long to get this far  
Don't call me baby

You said forever  
And then you went and changed your plans  
You said some day I'd understand  
But I still wonder

I wonder why we are not walking and fighting and asking for favours  
Meeting at midnight while avoiding all the neighbours  
Time is a distance that you can't retract by miles  
If I saw again I'd smile

But I'd say don't call me baby  
When she is waiting in the car  
It took so long to get this far  
Don't call me baby

I think she's pretty  
And I think that you have done quite well  
I still say you can never tell  
I wouldn't be surprised

You never know we could be walking and fighting and asking for favours  
Meeting at midnight while avoiding all the neighbours  
Time is a distance that you can't retract by miles  
If I saw again I'd smile

But Don't call me baby  
When were notnot the way we were  
It took so long to get this far  
Don't call me baby

Sometimes down town I think I see you  
But I don't say a word because there is somebody new  
It's too late to matter  
There's no such thing as true  
You're in the shadows til you left me in the dark

Don't call me  
Don't call me  
Don't call me

Don't call me baby  
Don't call me baby  
Don't call me baby  
Don't call me baby

Baby  
Don't call me  
Baby  
Don't call me  
Baby  
Baby
