

All Eyes On Me

Voices of Destiny

YOU\ 'VE COME TO SEE HOW A HERO LIVES?
YOU\ 'LL ONLY FIND A VICTIM
This is not what you did expect to see
Now feast your eyes on my misery

THESE THOUGHTS ARE OVERWHELMING
I CAN\ 'T RESIST THE ASSIMILATION
THE DARK SIDE GROWS WITHIN
All of my agonies turned to hate
I feast my eyes on the enemy

Hear me
This is the time when you seek me
Learning the truth you will leave me
To follow your heart again

No need to tell me what\ 's wrong or right
Already made up my mind to fight
I DON\ 'T FEAR BUT HATE YOU
WITH RAGE AND PAIN I RISE

Hear me
This is the time when you seek me
Learning the truth you will leave me
To follow your heart again
LEAVE ME, FLEE ME TO MY HORROR
