

## Ray of Hope

## Voices of Destiny

Save me from falling

Hey, now it\'s all the same again  
What I wanted to keep has gone astray  
And I\'m running like I\'m insane  
Just to get another chance to blow my mind

You are my ray of hope  
Enlight the dark I cannot cope  
Save me from falling and trust me  
You\'re the only one

I have never gone this far  
Should I take  
another step and risk it all  
Did you recognize those stars  
One will be my own if I would dare to reach

You are my ray of hope  
Enlight the dark I cannot cope  
Save me from falling and trust me  
You\'re the only one

Some day my tries will be rewarded  
You will see - I WILL BE RISING  
Some time when wounds have turned to scars  
See my mind - STRONGER THAN ALL

You are my ray of hope  
Enlight the dark I cannot cope  
Save me from falling and trust me  
You\'re the only one
