

## Return From The Ashes

Voices of Destiny

I am having trouble with my intuitions  
Once climbed the wall I see me fall again  
NOW BREAK THE CHAINS  
OVERCOME  
FIGHT FOR THIS, YOU\ 'RE NOT WRONG  
Retaliate or retreat  
Someone show me belief

Retry  
Face yourself to take these miles away  
Your head held high  
Never abandon your aims

Still searching for the end of this vicious circle  
The n realize and despair  
My torture to return  
RETURN FROM THE ASHES AND GROW WITH YOUR FAILURES  
My god, this senseless pain  
It\ 's coming back again  
ONE MORE TIME

Retry  
Face yourself to take these miles away  
Your head held high  
Never abandon your aims

Here comes the liar again  
No more lies  
Don\ 't trust his lies again  
No more lies  
OVERCOME  
FIGHT FOR LOVE  
JUST DO IT

Retry  
Face yourself to take these miles away  
Your head held high  
Never abandon your aims
