

Earthache

Voivod

Nature's life fades away
And the world is at stake
While our days are numbered
The lobby's talking whatever

Blah Blah Blah is that all you say?
Blah Blah Blah is that all you say?

Many times we have failed
Time for change, but too late
Indicators, long time red
Hell awaits, waits ahead

Blah Blah Blah is that all you say?
Blah Blah Blah is that all you say?
Blah Blah Blah is that all you say?
Blah Blah Blah is that all you say?

Blah Blah Blah is that all you say?
Blah Blah Blah is that all you say?
