

Mercury

Voivod

reborn
in need of energy
reform to bring on anarchy
can't you see
you must be
return of the forgotten race
tonight there is no time to waste
you must be
can't you see
vital demon
spirit of zoth
toxic vapor
leader of souls
you will be
you will see
anark
transmute
become the moon
zoth is free
mercury
zoth is free
anarchy
anark
conclude
reform
renew
return
conquer once again...
