Struggling through this Disturbing life Surviving is the only way to understand the reasons why each of us live riding the blind tension will pull you down beneath way underground you shall remain using your soul dying to breathe nothing to say no one to blame I've always been slightly confused all things appear doomed in a way whispering voice is this the end? my only fate Tormented, down Reality... Tormented, down Reality... Upside down reality I can't hide anxiety Say goodbye to sanity Upside down reality
