

Too Scared to Scream

Voivod

You gotta tell me why
You gotta tell me why
could you tell me why
why don't you want to tell me why

Looking at me this
for me in the dark?
just arrived in this town
and in the boat?
shadows on the wall
that look like no others
???

You gotta tell me why
You gotta tell me why
could you tell me why
why don't you want to tell me why
