

## Vortex

Voivod

Can you tell me why  
Things are not quite right  
Look out  
This is not fiction  
Somehow I'm changing  
Watch out  
I'm all alone  
Out of control  
Revolving motion  
Wild revolution  
Beware  
I am paralyzed  
Nearly Hypnotized  
Get out  
I'm all alone  
Out of control  
I've lost my soul  
In Vortex zone  
What is going on  
Everything is wrong  
Want out  
Is there a way out  
Safer whereabouts  
Wipe out  
I'm all alone  
Out of control  
I've lost my soul  
In Vortex zone  
I'm all alone
