

## Caroline #1

Volbeat

Sweet Caroline, how great though art  
Wear my ring around your neck  
With a big honk of love  
Don't be cruel you gotta treat me nice  
I just can't help believin'  
I got suspicious minds

Well, such a night it is  
You the devil in disguise  
Who am I it's midnight, I'm leaving  
Rubber neckin' I've got a thing about you, babe  
A hundred years from now roll on

Sweet Caroline one night with you  
At heartbreak motel  
We'll make the world go away  
If you talk in your sleep it ain't no big thing  
We can make the morning  
The impossible dream

Well, such a night it is  
You the devil in disguise  
Who am I it's midnight, I'm leaving  
Rubber neckin' I've got a thing about you, babe  
A hundred years from now roll on

Sweet Caroline bum bum bum bum bum bum  
How great thou art  
Wear my ring around your neck  
With a big honk of love  
If you talk in your sleep it ain't no big thing  
We can make the morning  
The impossible dream

Well, such a night it is  
You the devil in disguise  
Who am I it's midnight, I'm leaving  
Rubber neckin' I've got a thing about you, babe  
A hundred years from now roll on
