## **Blessed and Forsaken**

Vomitory

A relic of tyranny Worship and sanctuary Love and oppression Guided by a sign A sign of suffering Enter paradise

Kiss the cross Tasting salvation The holy semen Thank you Master

Saviour of souls Feeble minded Enslaved by birth See the truth See the lies The buried won't tell

Receive the blessing Father to daughter Chased by demons An acid mayhem Spellbound by fear Bury your blood

Kiss the cross Tasting salvation The holy semen Thank you Master
