

## Ripe Cadavers

### Vomitory

Insanity's spawn addicted to flesh - aimlessly running amok  
A murderous mind craving for death - feeding the sickening need  
s

Slashing throats with no precision  
No mercy shown

Drooling and groaning  
Perverted, ecstatic  
Revel in septic remains

Stabbing the neck, blood gushing out  
Delightedly sucking the wound  
Spattered with blood, machete in hand - Randomly severing heads

Crypt of torment, hellish haven - Butchered human collection  
Headless torsos stuck on poles - Bloated bodies to explode

Fountains of pus, nauseous malodour - Corpses dislimbed, lay in  
disarray

Cannibalistic terror, seek out and maim - Perversity incarnated  
, a creature of hate

Puncture the head, rip out the spine - Dismember the lifeless f  
lesh  
Playing with eyeballs, cuddling with bowels - Deranged to the u  
tter degree

The hunger so unbearable - Need to feed

Drooling and groaning  
Perverted, ecstatic  
Return to the crypt to feast upon the
