

Let Thy Will Be Done

Von Herten Brothers

Damn this illusion
Lust and confusion
Are eating up my mind
This situation's
Devils creation
An evil in disguise

'cause I can't get out of here
Where nothing seems real
The answer is near
I still just hold on to

I hold on to your feet
There's nothing more I need
If I surrender will you remember me?
As I surrender will your love enter me?

If I hold on to your feet

So give me the solution
Your definite conclusion
I need a revolution
I need an army ahead

Let go!

Let thy will be done
