

I Only Want to Be With You

Vonda Shepard

I don't know what it is that makes me love you so
I only know I never want to let you go
'Cause you started something, can't you see
That ever since we met you've had a hold on me

It happens to be true
I only want to be with you

It doesn't matter where you go or what you do
I wanna spend each moment of the day with you
Look what has happened with just one kiss
I never knew that I could be in love like this

It's crazy but it's true
I only want to be with you

You stopped and smiled at me, asked me if I'd care to dance
I fell into your open arms and I didn't stand a chance

Now listen honey, I just wanna be beside you everywhere
As long as we're together honey I don't care
'Cause you started something, can't you see
That ever since we've met you've had a hold on me

No matter what you do
I only want to be with you
No matter what you do
I only want to be with you
