Cheap Guy

Voodoo Glow Skulls

you say i'm your best friend. well, you're not mine. always com plaining about money all the time. why don't you grow up and li sten to me. money can't buy everything. everytime we go out i h ave to pay. you might as well call me dad. none of the girls wi ll go out with you. because you make them ride the bus. some pe ople say you squeak when you walk. penny pinching all the time. everything to you is one big price. that you're gonna have to pay. you don't have the money. according to you. when it's time to pay your way. someday at home you'll be alone. with no job and no friends.
