

Dd Don't Like Ska

Voodoo Glow Skulls

She dont like the Toasters or the Skeletones
She'd rather pound some beers
And listen to the Ramones

Hemet backyard parties or hanging out at Johnnie's
"Fuckin A/ right man", this is what she says

She loves alcohol, not Toots and the Maytals
Give her another beer, she'll kick your face in baby

chorus

DD dont like ska, yes it's true
She likes to party like Motley Crue
DD dont likes ska,lifes a bitch
She likes to get fucked up and do fucked up shit

DD dont like ska, yes it's true
She likes to party like Motley Crue
DD dont likes ska,lifes a bitch
She likes to get fucked up and do fucked up shit

No trombones or saxophones
Skany guitars will make her groan

Smokin weed and not feeling irie
Fuck you hippies yellign at parties

Sloppy Seconds, Subhumans
She'll sing those songs again and again
Come back DD, DD come back to me
