

Here We Are Again

Voodoo Glow Skulls

some people think they caught us slipping but we all know that it's not true everyone thinks that they're the expert always dissin' us and our crew just because we know what we want doesn't mean we aren't true you're the ones that put us here now isn't that the fucking truth here we are again.... and we'll be here till the end we've been climbing up that ladder and haven't fallen yet everyone thinks they know the answer it's just a matter of opinion
