Method To This Madness

Voodoo Glow Skulls

people are always thinking too much— they make the rules— ignor ance ain't pretty in this cold, hard world— what if you don't h ave the answer to every question— well, we're not spreading kno wledge like a social infection— we're not the ones— that want t o change you or make you think— we're not the ones— to pressure you to change your ways— you go to school six hours a day— you got a job that doesn't pay— go out friday night— you don't expect a lecture tonight— we got a radio vibe for fun— if you list en you'll be the one— go home be skankin' tonight— hoping it will make things right—
