Voodoo Glow Skulls

there's something in the air something that i can't place a taste that I can't smell a smell that I can't taste

I'm walking in circles trying to find the way the path that I've chosen has stops along the way

I'm out of line....
I'm out of place...
I can't control my mind......
loss of power and all the time.....
when your actions have no bind......
suffocate and try to find......

who took my convenience that I have everyday someone give me a slogan because I deserve a break today

I'll stay in my position
just keep living on borrowed time
take that train to nowhere
so I can be with my own kind

I feel like I've been cheated like an animal from it's skin who do I complain to who am I to blame

I'll jeopardize my karma in order to fit in somehow I manage to flush the fashion and follow my own trend
