

Are You Shaded?

Voyager

One for the passers-by
One for the ocean sky
Is hit how we shall dance
In our grey romance

Changing changing
Like chameleons and dreamers

Integrating
Like a changing song of seasons

Separating
Emulating, overrating

I'm cascading
Separating emulating

Walking hand in hand along the sea
Are you shaded just like me and me?

This seceding, just another feeling..

Come and see the dream that I can see
Come and see the possibilities
Endless realms of sadness madness though
Glad that I am here

Are you with me?
Or against me?
Are you shaded
Just like me?

One for the passers-by
One for the ocean sky
Is hit how we shall dance
In our grey romance

One for the passers-by
One for the tempting sigh
Are you afraid of me?

Tell me now
Are you shaded like me?
