Crime get stiff  
Man cyaa bun a spliff  
But a life a the greatest gift  
Give thanks fi the day when Jah, Jah  
Blow breath inna mi new lungs  
Enter the life of a new thugs  
Born inna sin and iniquity, inner city life

God know seh mi could a dead already  
Jah, Jah, must a never ready  
Ghetto mi live mi si blood shead already  
Man ever ready whole a firm steady meddy  
Mi witness nuff a my friend dead

Mi could a dead already  
Jah, Jah, must a never ready  
Ghetto mi live mi si blood shead already  
Man ever ready whole a firm steady meddy  
Mi witness nuff a my friend dead  
Nuff time mi vision mi self inna coffin  
But a voice tell mi no a no now it a go happen  
Yo youth inna the boat a depend pon the captain  
So mi seh mi haffi dweet before mi bone rotten  
Bright light tell mi seh life too short  
Cause a bay young youth him a berry an it pain him heart

Weh day mi go a my dog funeral
