Me get cross like the thing weh kill Jesus Christ
Dem jus a mek up all sorta noise
But the music weh me do is authorize

So when yuh call mi name
Mi got the thugs dem a party from wall to wall
Mi drink street vybz rum but mi sober now
Mi flow 16 bars.nuh alcohol
Put yuh hand inna the air if yuh like

And if yuh doe like it come bite it
Put yuh hand inna the air if yuh like
Kartel freestyle mi nuh write it
And if yuh doe like it come bite it
Professional words a swing
Stay far when the nouns and verbs a fling
Lyrically, this is a murder ting
But have it your way like burger king
Six million ways to die, choose one
Six million tunes a day, new songs
Yuh waah mi kill yuh life pon stage wid a track
Or yuh aguh wait till the album drop
Dem seh mi stop deejay and sing
But the gyal dem love when mi sing
All your gyal love to king
But inna love mi nuh fall
So when yuh call mi name
Mi got the thugs dem a party from wall to wall
Mi drink street vybz rum but mi sober now
Mi flow 16 bars.nuh alcohol
Put yuh hand inna the air if yuh like
Kartel freestyle mi nuh write it
And if yuh doe like it come bite it
Put yuh hand inna the air if yuh like
Kartel freestyle mi nuh write it
And if yuh doe like it come bite it
Teacha yuh lyrics contagious
Mi flow mek yardy and american glad
Similar to wah inna the american flag
Popcaan mek it out and him pass worse
Anno sweetie but a starburst
Copy and paste the four lines from the last verse
So when yuh call mi name
Mi got the thugs dem a party from wall to wall
Mi drink street vybz rum but mi sober now

Mi flow 16 bars.nuh alcohol
Put yuh hand inna the air if yuh like
Kartel freestyle mi nuh write it
And if yuh doe like it come bite it
Put yuh hand inna the air if yuh like
Kartel freestyle mi nuh write it
And if yuh doe like it come bite it
Come bi bi bi bite it and if yuh dont like it come bite it
